Appropriate care must be taken to keep the identity of the Whistle Blower confidential.

- e. Protected Disclosures should preferably be reported in writing so as to ensure a clear understanding of the issues raised and should either be typed or written in a legible handwriting in English, Hindi, Telugu or in the regional language of the place of employment of the Whistle Blower.
- f. The Protected Disclosure should be forwarded under a covering letter which shall bear the identity of the Whistle Blower. The Chairperson of the Audit Committee / Ethics Counsellor, as the case may be shall detach the covering letter and forward only the Protected Disclosure to the Investigators for investigation.
- g. Protected Disclosures should be factual and not speculative or in the nature of a conclusion, and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern.
- h. For the purpose of providing protection to the Whistle Blower, the Whistle Blower should disclose his/her identity in the covering letter forwarding such Protected Disclosure.
- i. A Protected Disclosure may be made anonymously. If a Protected Disclosure is made anonymously, the Whistle Blower must be detailed in their description of the concern and must provide the basis of making the assertion therein.
- j. Although a Whistleblower is not required to furnish any more information than what he/she wishes to disclose, it is essential for the Company to have all critical information in order to enable the Company to effectively evaluate and investigate the complaint. It is difficult for the Company to proceed with an investigation on a disclosure, particularly an anonymous disclosure, which does not contain all the critical information such as the specific charge. The disclosure must therefore provide as much detail and be as specific as possible, including names and dates, in order to facilitate the investigation.

To the extent possible, the disclosure must include the following:

1. The employee, and/or outside party or parties involved;
2. The sector of the Company where it happened (division, department, section, etc);
3. When did it happen: a date or a period of time;
4. Type of concern (what happened);
 - a) Financial reporting;
 - b) Legal matter;
 - c) Management action;
 - d) Employee misconduct; and/or
 - e) Health & safety and environmental issues.
5. Submit proof or identify where proof can be found, if possible;

6. Who to contact for more information, if possible; and/or
7. Prior efforts to address the problem, if any.

7. Investigation

- a. All Protected Disclosures reported under this Policy will be thoroughly investigated by the Ethics Counsellor / Chairperson of the Audit Committee of the Company who will investigate / oversee the investigations under the authorization of the Audit Committee.
- b. The Ethics Counsellor / Chairperson of the Audit Committee may at his / her discretion, consider involving any Investigators for the purpose of investigation.
- c. The decision to conduct an investigation taken by the Ethics Counsellor / Chairperson of the Audit Committee is by itself not an accusation and is to be treated as a neutral fact-finding process. The outcome of the investigation may not support the conclusion of the Whistle Blower that an improper or unethical act was committed.
- d. The identity of a Subject and the Whistle Blower will be kept confidential to the extent possible given the legitimate needs of law and the investigation.
- e. Subjects will normally be informed of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.
- f. Subjects shall have a duty to co-operate with the Ethics Counsellor / Chairperson of the Audit Committee or any of the Investigators during investigation to the extent that such co-operation will not compromise self-incrimination protections available under the applicable laws.
- g. Subjects have a right to consult with a person or persons of their choice, other than the Ethics Counsellor / Investigators and/or members of the Audit Committee and/or the Whistle Blower. Subjects shall be free at any time to engage counsel at their own cost to represent them in the investigation proceedings. However, if the allegations against the subject are not sustainable, then the Company may see reason to reimburse such costs.
- h. Subjects have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with, and witnesses shall not be influenced, coached, threatened or intimidated by the Subjects.
- i. Unless there are compelling reasons not to do so, Subjects will be given the opportunity to respond to material findings contained in an investigation report. No allegation of wrongdoing against a Subject shall be considered as maintainable unless there is good evidence in support of the allegation.
- j. Subjects have a right to be informed of the outcome of the investigation. If allegations are not sustained, the Subject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.

- k. The investigation shall be completed normally within 45 days of the receipt of the Protected Disclosure.

8. Protection

- a. No unfair treatment will be meted out to a Whistle Blower by virtue of his/her having reported a Protected Disclosure under this Policy. The Company, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistle Blowers. Complete protection will, therefore, be given to Whistle Blowers against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion, or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties/functions including making further Protected Disclosure. The Company will take steps to minimize difficulties, which the Whistle Blower may experience as a result of making the Protected Disclosure. Thus, if the Whistle Blower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistle Blower to receive advice about the procedure, etc.
- b. A Whistle Blower may report any violation of the above clause to the Chairperson of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.
- c. The identity of the Whistle Blower shall be kept confidential to the extent possible and permitted under law.
- d. Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower.

9. Investigators

- a. Investigators are required to conduct a process towards fact-finding and analysis. Investigators shall derive their authority and access rights from the Ethics Counsellor / Audit Committee when acting within the course and scope of their investigation.
- b. Technical and other resources may be drawn upon as necessary to augment the investigation. All Investigators shall be independent and unbiased both in fact and as perceived. Investigators have a duty of fairness, objectivity, thoroughness, ethical behavior and observance of legal and professional standards.
- c. Investigations will be launched only after a preliminary review by the Chairperson of the Audit Committee or the Ethics Counsellor, as the case may be, which establishes that:
 - i. the alleged act constitutes an improper or unethical activity or conduct, and
 - ii. the allegation is supported by information specific enough to be investigated or in cases where the allegation is not supported by specific information, it is felt that the concerned matter is worthy of management review. Provided that

such investigation should not be undertaken as an investigation of an improper or unethical activity or conduct.

10. Decision

If an investigation leads the Ethics Counsellor / Chairperson of the Audit Committee to conclude that an improper or unethical act has been committed, the Ethics Counsellor / Chairperson of the Audit Committee shall recommend to the management of the Company to take such disciplinary or corrective action as the Ethics Counsellor / Chairperson of the Audit Committee may deem fit. It is clarified that any disciplinary or corrective action initiated against the Subject as a result of the findings of an investigation pursuant to this Policy shall adhere to the applicable personnel or staff conduct and disciplinary procedures.

11. Reporting

The Ethics Counsellor shall submit a report to the Chairperson of the Audit Committee on a regular basis about all Protected Disclosures referred to him/her since the last report together with the results of investigations, if any. The Company Secretary shall obtain an update on this from the Ethics Counsellor and the Chairperson of the Audit Committee on a quarterly basis and inform the same at the subsequent meeting of the Audit Committee.
